### Cost of Issuance

When State of West Virginia bonds are issued, various professionals provide their expertise and related services to market and sell the bonds. The following list provides an overview of the most common professional services utilized in the marketing and selling of State of West Virginia bonds:

**Underwriter** – The underwriter, or underwriting team, acts as an intermediary for the issuer, purchasing the bonds for resale to investors. In a negotiated sale, the underwriter may also have a significant role in the structuring of the issue. The chart on the right shows the underwriters for various State of West Virginia bonds issued during fiscal year 2022. In addition, the following underwriters had bonds sold at par with no underwriter fee: Stifel, Nicolaus & Company, Inc. – 1 issue; Huntington Bank – 1 issue, and JP Morgan Chase Bank – 1 issue.

Please note: The information contained in this chart is derived from the “Report of Final Sale” filings received by the West Virginia State Treasurer’s Office after bonds are issued. Eight (8) bonds issued had no “Report of Final Sale” filed with the West Virginia State Treasurer’s Office; six (6) of these bonds without a “Report of Final Sale” provided were issued by the West Virginia Economic Development Authority and two (2) by the West Virginia Housing Development Fund. The information reported herein may not be complete because the “Reports of Final Sale” have not been received as of this report’s publication.

**Bond Counsel** – Bond counsel prepares the necessary legal documents and ensures a bond issue meets state and federal legal requirements. Bond counsel issues a legal opinion stating the bonds are legal obligations and, in many cases, the tax status of the debt. The practice of including a legal opinion in a bond issue developed out of the numerous defaults on municipal bonds issued for the financing of railroads in the 1800s. In most instances, an opinion is also included from underwriter’s counsel, the counsel for the bond issuing authority and the Trustee. For purposes of this report, only the lead bond counsel is being discussed.

## Section 1 - Debt Review Fiscal Year 2022 (continued)

Bond counsel is also responsible for assembling all the relevant materials over the course of the issuance process. The collection of these materials is called a transcript and is a permanent record kept as a reference of documentation of the tasks undertaken in the issuance of the bonds. The information in the chart shows bond counsel who worked on the state’s bonds during fiscal year 2022. As previously mentioned, the information contained in this chart comes from “Report of Final Sale” filings received by the West Virginia State Treasurer’s Office after bonds are issued. In addition to those in the chart, the West Virginia Housing Development Fund had four (4) issues with bond counsel fees totaling \$130,000, but the bond counsel was not listed on the Report of Final Sale. Also, the West Virginia Economic Development Authority had six (6) bonds that did not provide the “Report of Final Sale”.

### Bond Counsel Fees on West Virginia Bonds Issued Fiscal Year 2022

Bond Counsel	Issuing Entities	Number of Issues	Fees
Jackson Kelly, PLLC	Fairmont State University, West Virginia University Board of Governors West Virginia Water Development Authority	3	\$85,000
Spilman Thomas & Battle, PLLC	West Virginia Economic Development Authority – Roxul	1	Not listed

**Municipal Advisor** – While bond counsel works on the legal aspects of the bond issue and the underwriter(s) are determining the market reception of the offering, the municipal advisor is helping to guide the issuer through the entire bond issuance process.

**PFM Financial Advisors, LLC**

1 issue

**\$68,017**

The information in the box to the right shows the municipal advisor who worked on one of West Virginia’s bonds during fiscal year 2022. The data provided is according to all “Reports of Final Sale” filed with the West Virginia State Treasurer’s Office. In addition to those listed, the West Virginia Housing Development Fund had four (4) issues with municipal advisor fees totaling \$27,500 but the advisor was not listed on the “Report of Final Sale”. Fairmont State University did not list the municipal advisor and the West Virginia Economic Development Authority had six (6) issuances where the “Report of Final Sale” was not provided and one (1) where the Municipal Advisor was not listed on the form.

### S&P

**Rating Agencies** – Ratings by rating agencies are important measurements for potential investors, giving instant insight into the credit worthiness of the issuer. Many investors, particularly retail investors, rely heavily upon the ratings given by the rating agencies, making a direct and significant impact on the interest rates and yields on a bond issue. In some instances, a West Virginia spending unit may decide not to offer their bonds to the market, but rather issue the bonds through a private placement entity, thereby making a rating unnecessary.

When a rating is requested, the issuer pays a fee. The table to the left shows the number of bond issues receiving a rating and the corresponding fees paid for the rating.

The West Virginia Housing Development Fund had two (2) issues where the "Report of Final Sale" was not provided and one (1) where the issue was not rated. The West Virginia Economic Development Authority had six (6) issues where the "Report of Final Sale" was not provided and one (1) where the issue was not rated. The West Virginia University Board of Governors was not rated.

The West Virginia State Treasurer acts as paying agent for the bonds.

## Section 3 - Debt Service, Escrow & Reserve Funds (continued)

### **GENERAL OBLIGATION SAFE ROADS AMENDMENT OF 1996 and ROADS TO PROSPERTY AMENDMENT OF 2017**

The Safe Roads and Roads to Prosperity bonds are paid from bona fide debt service funds administered by the West Virginia State Treasurer's Office. The Division of Highways makes monthly transfers to these funds from the Road Fund and these transfers are equal to 10% of the annual debt service requirement on all Safe Road and Roads to Prosperity Bonds, respectively. The West Virginia State Treasurer's Office facilitates the payments of the debt service on the bonds as they become due.

### **SCHOOL BUILDING AUTHORITY OF WEST VIRGINIA CAPITAL IMPROVEMENT EXCESS LOTTERY REVENUE BONDS**

The School Building Authority of West Virginia has authorized and issued five (5) series of bonds backed by funds from the Excess Lottery Revenue fund. The 2010B and 2015A series of bonds were issued without the requirement of a debt service reserve fund.

Three (3) series of Excess Lottery Revenue Bonds were issued as Qualified School Construction Bonds (QSCBs). As a result of this classification, the School Building Authority of West Virginia is not responsible for making interest payments to bondholders. A debt service sinking fund was established to redeem the bullet maturities of the bonds in the years 2024, 2026 and 2027. The School Building Authority of West Virginia makes monthly payments into the sinking funds held by the Bank of New York Mellon Corporation (BNY Mellon).

### **WEST VIRGINIA ECONOMIC DEVELOPMENT AUTHORITY EXCESS LOTTERY REVENUE BONDS**

The 2004 West Virginia Economic Development Authority Excess Lottery Revenue bonds were issued on a federally taxable basis for the purpose of providing economic development grants for various projects in West Virginia. A debt service reserve fund was established pursuant to the bond indenture. The required amount for the debt service reserve fund is an amount equal to the maximum annual debt service on the bonds. According to the indenture, the West Virginia Economic Development Authority may provide a reserve fund credit facility to replace all or any portion of the amounts on deposit in the reserve fund. This reserve fund has a market value of approximately \$26.4 million as of June 30, 2022.

### **WEST VIRGINIA ECONOMIC DEVELOPMENT AUTHORITY LOTTERY REVENUE BONDS**

On December 28, 2017, the West Virginia Economic Development Authority issued \$142.7 million in Lottery Refunding Revenue Bonds. These bonds established an escrow account to refund approximately \$135.9 million of Lottery Revenue Bonds issued in 2010. The bonds were called on June 15, 2020.

The refunding did not change the maturity or the annual debt service requirements of the original bonds; however, it did reduce the debt service for fiscal year 2022. This reduction in debt service provided \$10.3 million for repairs to the West Virginia State Capitol dome.

## Section 8

### Continuing Disclosure

West Virginia Code §12-6A-5 (7) states the West Virginia State Treasurer's Office should "monitor continuing disclosure requirements and post-issuance compliance issues with federal and state tax and securities law, including, without limitation, arbitrage, rebate and remedial measures."

The spending units listed in this report are responsible for reporting certain disclosures related to bond issuances on the Municipal Securities Rulemaking Board (MSRB) website, commonly called EMMA. Further, spending units are required to submit audited financial statements to EMMA in a timely manner, if the spending unit is audited. Details of post issuance compliance and other disclosures can be found at the following website: <https://emma.msrb.org/>.

## Section 9

### Cash Flow Projections for Revenue Bonds

West Virginia Code §12-6A-5 (2) states the West Virginia State Treasurer's Office should "evaluate cash flow projections relative to proposed and existing revenue bond issues."

The State of West Virginia has several outstanding revenue bonds as listed in Appendix A on page 41. Revenue streams for the bonds are derived from the following sources according to the reporting spending units: court fees, tuition, room and board, the West Virginia Lottery, repayment of loans, local bondholders, interest, capital fees, rentals, appropriations, tolls, other auxiliary revenue, student fees, and pledges. Each spending unit reported sufficient revenue streams to cover the existing outstanding debt.

The West Virginia State Treasurer's Office monitors revenue streams as it relates to outstanding bonds.
