37. CONFLICT OF INTEREST: Vendor, its officers or members or employees, shall not presently have or acquire an interest, direct or indirect, which would conflict with or compromise the performance of its obligations hereunder. Vendor shall periodically inquire of its officers, members and employees to ensure that a conflict of interest does not arise. Any conflict of interest discovered shall be promptly presented in detail to the Agency.

38. REPORTS: Vendor shall provide the Agency and/or the Purchasing Division with the following reports identified by a checked box below:

☑ Such reports as the Agency and/or the Purchasing Division may request. Requested reports may include, but are not limited to, quantities purchased, agencies utilizing the contract, total contract expenditures by agency, etc.

☐ Quarterly reports detailing the total quantity of purchases in units and dollars, along with a listing of purchases by agency. Quarterly reports should be delivered to the Purchasing Division via email at purchasing.requisitions@wv.gov.

39. BACKGROUND CHECK: In accordance with W. Va. Code § 15-2D-3, the Director of the Division of Protective Services shall require any service provider whose employees are regularly employed on the grounds or in the buildings of the Capitol complex or who have access to sensitive or critical information to submit to a fingerprint-based state and federal background inquiry through the state repository. The service provider is responsible for any costs associated with the fingerprint-based state and federal background inquiry. After the contract for such services has been approved, but before any such employees are permitted to be on the grounds or in the buildings of the Capitol complex or have access to sensitive or critical information, the service provider shall submit a list of all persons who will be physically present and working at the Capitol complex to the Director of the Division of Protective Services for purposes of verifying compliance with this provision. The State reserves the right to prohibit a service provider's employees from accessing sensitive or critical information or to be present at the Capitol complex based upon results addressed from a criminal background check.

Service providers should contact the West Virginia Division of Protective Services by phone at (304) 558-9911 for more information.

40. PREFERENCE FOR USE OF DOMESTIC STEEL PRODUCTS: Except when authorized by the Director of the Purchasing Division pursuant to W. Va. Code § 5A-3-56, no contractor may use or supply steel products for a State Contract Project other than those steel products made in the United States. A contractor who uses steel products in violation of this section may be subject to civil penalties pursuant to W. Va. Code § 5A-3-56. As used in this section:

a. "State Contract Project" means any erection or construction of, or any addition to, alteration of or other improvement to any building or structure, including, but not limited to, roads or highways, or the installation of any heating or cooling or ventilating plants or other equipment, or the supply of and materials for such projects, pursuant to a contract with the State of West Virginia for which bids were solicited on or after June 6, 2001.

b. "Steel Products" means products rolled, formed, shaped, drawn, extruded, forged, cast, fabricated or otherwise similarly processed, or processed by a combination of two or more or such operations, from steel made by the open heath, basic oxygen, electric furnace, Bessemer or other steel making process. The Purchasing Division Director may, in writing, authorize the use of foreign steel products if:

c. The cost for each contract item used does not exceed one tenth of one percent (.1%) of the total contract cost or two thousand five hundred dollars ($2,500.00), whichever is greater. For the purposes of this section, the cost is the value of the steel product as delivered to the project; or

d. The Director of the Purchasing Division determines that specified steel materials are not produced in the United States in sufficient quantity or otherwise are not reasonably available to meet contract requirements.

41. PREFERENCE FOR USE OF DOMESTIC ALUMINUM, GLASS, AND STEEL: In Accordance with W. Va. Code § 5-19-1 et seq., and W. Va. CSR § 148-10-1 et seq., for every contract or subcontract, subject to the limitations contained herein, for the construction, reconstruction, alteration, repair, improvement or maintenance of public works or for the purchase of any item of machinery or equipment to be used at sites of public works, only domestic aluminum, glass or steel products shall be supplied unless the spending officer determines, in writing, after the receipt of offers or bids, (1) that the cost of domestic aluminum, glass or steel products is unreasonable or inconsistent with the public interest of the State of West Virginia, (2) that domestic aluminum, glass or steel products are not produced in sufficient quantities to meet the contract requirements, or (3) the available domestic aluminum, glass, or steel do not meet the contract specifications. This provision only applies to public works contracts awarded in an amount more than fifty thousand dollars ($50,000) or public works contracts that require more than ten thousand pounds of steel products.

The cost of domestic aluminum, glass, or steel products may be unreasonable if the cost is more than twenty percent (20%) of the bid or offered price for foreign made aluminum, glass, or steel products. If the domestic aluminum, glass or steel products to be supplied or produced in a "substantial labor surplus area", as defined by the United States Department of Labor, the cost of domestic aluminum, glass, or steel products may be unreasonable if the cost is more than thirty percent (30%) of the bid or offered price for foreign made aluminum, glass, or steel products. This preference shall be applied to an item of machinery or equipment, as indicated above, when the item is a single unit of equipment or machinery manufactured primarily of aluminum, glass or steel, is part of a public works contract and has the sole purpose or of being a permanent part of a single public works project. This provision does not apply to equipment or machinery purchased by a spending unit for use by that spending unit and not as part of a single public works project.

All bids and offers including domestic aluminum, glass or steel products that exceed bid or offer prices including foreign aluminum, glass or steel products after application of the preferences provided in this provision may be reduced to a price equal to or lower than the lowest bid or offer price for foreign aluminum, glass or steel products plus the applicable preference. If the reduced bid or offer prices are made in writing and supersede the prior bid or offer prices, all bids or offers, including the reduced bid or offer prices, will be reevaluated in accordance with this rule.

ALL CONTRACTS: Under W. Va. SPECIFICATIONS

1. **PURPOSE AND SCOPE:** The West Virginia State Treasurer's Office (WV STO) is soliciting bids for a one-time purchase of a cellular signal boosting solution for its 70th Street Office locations in Charleston, WV.

   1.1 There will be a Pre-bid Meeting/Site Visit review on Thursday, Aug. 15, 2019 at 1:00pm at 315 70th Street and 322 70th Street SE, Charleston, WV 25304

   1.2 Vendor Questions are due: Aug. 16, 2019

   1.3 Background Information: WV STO has two (2) office buildings in immediate proximity of each other at 70th Street SE, Charleston, WV. Both buildings are two-story office buildings, each with a total of approximately 15,000 square feet. Construction of these buildings is typical for offices, consisting of concrete floors and metal studding throughout. Cellular service is unreliable in many areas of the two buildings. An attempt to improve this with a cellular signal boosting kit solution has proved to be inadequate.

2. **DEFINITIONS:** The terms listed below shall have the meanings assigned to them below. Additional definitions can be found in section 2 of the General Terms and Conditions.

   2.1 "Contract Item" means each item as listed in the Commodity Code section of the agency's request for quotation (RFQ) as more fully described in these specifications.

   2.2 "Pricing Page" means the pages, or area contained in wvOasis or attached hereto as Exhibit A, upon which the Vendor should list its proposed price for the Contract Items. For submission/entry in wvOASIS, the Commodity Code section is where pricing shall be entered for each category/item listed.

   2.3 "Solicitation" means the official notice of an opportunity to supply the State Treasurer's Office with goods or services that is published by the Agency via wvOASIS statewide financial system and/or other notification methods.

3. **GENERAL REQUIREMENTS:**

   3.1 Mandatory Contract Item Requirements and Deliverables: Contract Item/Service must meet or exceed the mandatory requirements listed below for each building/location at the 70th Street location.

      3.1.1 Service Offering: Must support all major wireless carriers as well as 4G LTE technology for each building.

      3.1.2 Solution: Must provide reliable and robust signal for data and voice throughout each building.

3.1.3 Installation: Solution must include all equipment, service, accessories, and components required for a complete installation.

3.1.3.1 The vendor will provide all installation services, including site surveys, if deemed appropriate.

3.1.3.2 Vendor must have a minimum of two (2) years' experience for similar projects

3.1.4 Scheduling: Work is to be done during agency normal business hours (8:00am to 5:00pm), or alternate schedule as approved by agency in advance.

3.1.5 Warranty: All equipment and installation for both buildings shall be warranted for a minimum of One (1) Year of Agency acceptance**.**

4. CONTRACT AWARD:

4.1 Contract Award: The Contract is intended to provide Agency with a purchase price for the Contract Items. The Contract shall be awarded to the Vendor that provides the Contract Items meeting the required specifications for the lowest overall total cost as shown on the Pricing Page(s), or if entered in wvOASIS, the combined total of all Commodity Lines.

4.2 Pricing Page: Vendor should complete the Pricing Page (Exhibit A) by inserting the cost for each item listed, even if that cost will be 'zero' dollars to affirm your ability to offer the product at no cost. Vendor should complete the Pricing Page in full as failure to complete it in its entirety may result in Vendor's bid being disqualified.

Vendor should type or electronically enter the information into the Pricing Page(s) through wvOASIS, if available, or as an electronic document. In most cases, the Vendor can request an electronic copy of the Pricing Page(s) for bid purposes by sending an email request to the designated buyer listed at the following address: purchasing@wvsto.com

4.2.1 Bid Price shall include a price per building/location. Vendor should provide a detailed listing of components and service for each location with its response but no later than 24 hours after agency request.

5. PAYMENT:

5.1 Payment: Vendor shall accept payment in accordance with the payment procedures of the State of West Virginia. Agency shall pay for all goods and services at the completion of the project, including any required testing/acceptance requirements, as shown on the Pricing Page(s), for all contract services performed and accepted under the resultant contract.

Vendor shall be responsible for all mileage and travel costs, including travel time, associated with the performance of the resulting contract. No separate costs or fees will be accepted and must be included in the fee the Vendor provides on the Pricing Page(s).

6. DELIVERY AND RETURN:

6.1 Shipment and Delivery: Vendor shall ship the Contract Items immediately after being awarded this Contract and receiving a purchase order or notice to proceed. Vendor shall deliver the Contract Items within **10** working days after receiving a purchase order or notice to proceed. Contract Items are to be delivered to Agency at the 322 70th Street, Charleston, WV 25304 address.

6.2 Late Delivery: The Agency placing the order under this Contract must be notified in writing if the shipment of the Contract Items will be delayed for any reason. Any delay in delivery that could cause harm to Agency may be grounds for cancellation of the Contract, and/or obtaining the Contract Items from a third party.

6.3 Delivery Payment/Risk of Loss: Vendor shall deliver the Contract Items F.O.B. destination to the Agency's location.

6.4 Return of Unacceptable Items: If the Agency deems the Contract Items to be unacceptable, the Contract Items shall be returned to Vendor at Vendor's expense and with no restocking charge. Vendor shall either make arrangements for the return within five (5) days of being notified that items are unacceptable, or permit the Agency to arrange for the return and reimburse Agency for delivery expenses. If the original packaging cannot be utilized for the return, Vendor will supply the Agency with appropriate return packaging upon request. All returns of unacceptable items shall be F.O.B. the Agency's location. The returned product shall either be replaced, or the Agency shall receive a full credit or refund for the purchase price, at the Agency's discretion.

6.5 Return Due to Agency Error: Items ordered in error by the Agency will be returned for credit within 30 days of receipt, F.O.B. Vendor's location. Vendor shall not charge a restocking fee if returned products are in a resalable condition. Items shall be deemed to be in a resalable condition if they are unused and in the original packaging. Any restocking fee for items not in a resalable condition shall be the lower of the Vendor's customary restocking fee or 5% of the total invoiced value of the returned items.

7. VENDOR DEFAULT:

7.1 The following shall be considered a vendor default under this Contract.
